RUUD® ULN WATER HEATERS

As part of our commitment to leading the way with products that truly make a difference for the planet, we're focused on developing water heating products that meet regulatory requirements, reduce greenhouse gas emissions and environmental impacts while still delivering reliable performance. We took it beyond the basic requirements of efficiency regulations to design the best solution available and expanded our ultra low NOx line to meet California Air Quality Management Districts, Utah Air Quality board and Colorado Environmental Standards for Appliances requirements. At Ruud, we make it possible for our customers to trade up and protect the environment with zero tradeoffs between sustainability and performance.

SUPER HIGH EFFICIENCY RESIDENTIAL WATER HEATERS

Ruud super high efficiency gas water heaters provide homeowners with not only the comfort of hot water, but substantial energy savings and emission reduction. All models are ultra low NOx and are ENERGY STAR® certified.

GUARDIAN SYSTEM™

Flammable Vapor Ignition Resistance

Guardian is the best-in-class FVIR System that's engineered to exceed ANSI standards.

Exclusive, Air Shut-Off System

It shuts off gas and air supplies – providing double protection.

Flame Arrestor Plate

A specially-designed flame arrestor prevents ignition of vapors outside the combustion chamber.

Superior Air Filtration

It prevents the flame arrestor from becoming clogged by lint, dust and oil.

Maintenance-Free! No Filters to Clean!

Guardian System has no filters to service, replace or clean.

Standard Replacement Parts

Guardian System incorporated a standard gas valve and Thermocouple – easy to replace.

It's Easy to Light

No matches are required with the Ruud Guardian System.

Plus...

- Guardian System models are high altitude compliant – some models certified for applications up to 6,000 and 10,200 feet above sea level
- Zero clearance to combustibles, rear and side
- Energy efficient – get more hot water at a lower operating cost
- Available on most Ruud gas water heater models
