ENDEAVOR[®]

Innovation You Can Count On

Patented industry-first features and advanced design make the Ruud Endeavor WSA14AZ a smart choice.

Peace-Of-Mind Performance

Relax, you're covered by a dependable warranty¹—10 Year Conditional Parts.

Less Environmental Impact

The 7mm condenser coil provides a decrease in refrigerant requirements up to 15%, lowering the amount of greenhouse gases emitted while contributing to our sustainability goals. A win for all of us.

Rugged Curb Appeal

A fully louvered steel legacy cabinet features durable construction to protect from yard hazards and weather corrosion while using less refrigerant and providing enhanced dependability. This model also features a one-piece drawn and painted base pan. The pan elevates the coil off the pad helping minimize corrosion while also reducing sound.

Quiet Operation

Efficient home comfort shouldn't be noisy. That's why our air conditioners are engineered with acoustics in mind. Integrated sound-dampening features such as refrigerant tubing design, fan blade approach, a one-piece drawn base pan and innovative compressor and drive technologies let you enjoy more efficiency—and less noise.

SOUND RATING²

FEATURES AT A GLANCE

Cooling Efficiencies Up To:
15.2 SEER2 / 12 EER2

Nominal Sizes: 1.5 to 2.5 Tons

Cooling Capacities:
17.1 to 27.5 kBTU

Sound Rating²: As low as 74 dB

Compressor Type: Single-Stage

Condenser Coil Type: 7mm

Feature Highlights:

Easy Service Access – Easily accessible control box aids in installation and serviceability

Limited Warranty¹:

Conditional Parts – 10 Years
(registration required)

TESTED. TRUSTED. TOUGH.

From the smallest part to complete comfort systems, we engineer quality into every piece of equipment to be sure it's tough enough to deliver the maximum performance you count on day after day, year after year. That reliability is what makes Ruud different—and better.
