ENDEAVOR[®]

Innovation You Can Count On

Peace-Of-Mind Performance

Relax, you're covered by a dependable warranty¹—10 Year Conditional Parts.

Less Environmental Impact

The 7mm condenser coil reduces refrigerant requirements up to 15%. This lowers the amount of greenhouse gases emitted while contributing to our sustainability goals. A win for all of us.

Reduced Emissions

Households generate 72%² of greenhouse gas emissions, so switching to a heat pump can make a big difference for the environment—today.

Rugged Curb Appeal

A fully louvered steel legacy cabinet features durable construction to protect from yard hazards and weather corrosion while using less refrigerant and providing enhanced reliability. This model also features a one-piece drawn and painted base pan. The pan elevates the coil off the pad helping minimize corrosion while also reducing sound.

Quiet Operation

Efficient home comfort shouldn't be noisy. That's why our heat pumps are engineered with acoustics in mind. Integrated sound-dampening features such as refrigerant tubing design, fan blade approach, a one-piece drawn base pan and innovative compressor and drive technologies let you enjoy more efficiency—and less noise.

SOUND RATING³

FEATURES AT A GLANCE

Cooling & Heating Efficiencies Up To:

15.2 SEER2 / 11.7 EER2 / 7.8 HSPF2

Nominal Sizes: 1.5 to 2.5 Tons

Cooling & Heating Capacities:

17.1 to 28.4 kBTU

Works with EcoNet[®]: Yes

(when paired with the ecobee Smart Thermostat Lite | Works with EcoNet Technology)

Sound Rating³: As low as 73 dB

Compressor Type: Two-Stage

Condenser Coil Type: 7mm

Feature Highlights:

Easy Service Access –

Easily accessible control box aids in installation and serviceability

Refrigerant Detection System⁴ –

Integrated, patented design providing system protection and homeowner peace-of-mind with low GWP refrigerant monitoring

Limited Warranty¹:

Conditional Parts – 10 Years
(registration required)

TESTED. TRUSTED. TOUGH.

From the smallest part to complete comfort systems, we engineer quality into every piece of equipment to be sure it's tough enough to deliver the maximum performance you count on day after day, year after year. That reliability is what makes Ruud different—and better.
