RELY ON RUUD.™

Total Comfort

Innovation You Can Count On

Patented industry-first features and 360+1 design make the Ruud Endeavor U98MV a smart choice.

Peace-Of-Mind Performance

Relax, you're covered by one of the best warranties in the industry¹—10 Year Limited Parts + Limited Lifetime Heat Exchanger + Conditional Limited Lifetime Unit Replacement.

Quietest Operation in a Powerful Package

Cozy and quiet vibes are guaranteed with our insulated cabinet and truly variable speed airflow technology—giving you one of the quietest furnaces available².

Exceptional Energy Efficiency Savings

Higher AFUE (Annual Fuel Utilization Efficiency) ratings mean more energy savings and this 98% AFUE, ENERGY STAR[®] certified gas furnace is close to perfect when it comes to efficiently converting gas to heat—offering up to \$85 in annual energy costs savings³ and potentially even more with available rebates. Visit Ruud.com/Rebate to check your state's rebate policies.

Ultimate Comfort

A modulating gas valve design allows for operation between 40% and 100% to continuously meet your specific heating needs, while the variable speed motor technology ensures a steady stream of perfect warmth and superior humidity control—together providing optimal comfort levels.

We Thought
of Everything...
& Then Some

We evaluate every detail of a product from top to bottom, inside and out and every angle in between. That's 360+1. And that's why you can count on this gas furnace to bring you and your family years of efficient and dependable indoor comfort.

TESTED.
TRUSTED.
TOUGH.

From the smallest part to complete comfort systems, we build quality into everything we make so we can be sure it's tough enough to deliver the ultimate performance you can count on day after day, year after year. That reliability is what makes Ruud different—and better

Plus **Ultimate** Efficiency

A Smart Way to Live Both **Comfortably** & **Sustainably**

Many Ruud products have sustainability features, but the U98MV has earned our Sustainability Standout Seal, indicating it's among the best of the best. We created the Seal to help you more easily find the products that save energy, save money and save the planet.

Among Furnaces, **This One's a Star**⁴

Earning ENERGY STAR[®] recognition means products meet strict energy efficiency guidelines set by the U.S. Environmental Protection Agency. ENERGY STAR certified heating and cooling equipment can enhance the comfort of your home while saving energy—which saves money on utility bills and protects our climate by reducing harmful carbon pollution and other greenhouse gases.

The Ruud Endeavor U98MV operates with the easy-to-use EcoNet Smart Thermostat, which optimizes system performance and provides a new level of protection and precision comfort **with features like:**

- Communication with latest sensor technology
- Control of your thermostat from anywhere via the EcoNet App⁵
- Alerts sent directly to your phone or email

In keeping with its policy of continuous progress and product improvement, Ruud reserves the right to make changes without notice.

¹Registration is required for the conditional warranties. For complete details of the limited and conditional warranties, including applicable terms and conditions, contact your local Contractor or go to Ruud.com for a copy of the product warranty certificate. ²Based on manufacturer's furnace offering, and the product's heating stages, motor type and cabinet insulation. Sound levels are also dependent on furnace location and installation. ³Per EnergyStar.gov, when compared to a standard 80% AFUE gas furnace. ⁴Proper sizing and installation of equipment is critical to achieve optimal performance. Ask your contractor for details or visit EnergyStar.gov. ⁵WiFi broadband internet connection required. Download the EcoNet® App from the App Store® or Google Play® to set up your EcoNet Smart Thermostat. Receipt of notifications depend on home WiFi set up.
