

INTRODUCING THE NEW! **ACHIEVER PLUS® SUPER HIGH EFFICIENCY GAS 40 & 50 GALLON MODELS**

Achiever Plus Super High Efficiency Gas models are designed to give homeowners a lower cost, super high efficiency solution with powerful performance. Plus models feature the same great performance found in premium models, *without built-in leak detection, Wi-Fi, MaxMode and touch screen display.* Homeowners don't have to choose between sustainability goals and enjoying hot water.

**MAXIMUM
EFFICIENCY
POWERFUL
PERFORMANCE**
